

KEER SUN'S LIFE MAP

I SPENT MY CHILDHOOD IN CHINA. I WAS CARE-FREE AND LOVED KUNG-FU

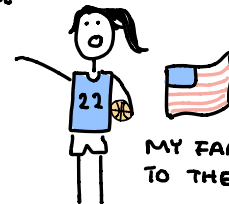

7th GRADE

I REALIZED I WAS A BIT DIFFERENT FROM OTHER PEOPLE. I WOULD SAY THAT I WAS NOT VERY OPEN-MINDED BEFORE. AND THIS WAS A DIFFICULT REALIZATION, BUT IT GAVE ME A DIFFERENT PERSPECTIVE. ONE THAT I WOULD NEVER WILLINGLY SEE OTHERWISE. I BECAME MORE OPEN-MINDED AND UNDERSTANDING. I ALSO DECIDED THAT I WOULD DO WHAT I CAN TO HELP OTHERS ACCEPT THEMSELVES AND OTHERS WHO ARE DIFFERENT. WE ARE ALL JUST HUMAN

IN HIGH SCHOOL I LED THE GAY STRAIGHT ALLIANCE WHERE I SHARED MY EXPERIENCE WITH OTHERS. I PLAYED A LOT OF BASKETBALL. MY TEAM WAS RANKED TOP 20 IN THE US BY ESPN. OFF THE COURT I LOVED PHYSICS AND ENGINEERING. I WASN'T A GOOD WRITER BUT I THINK IT'S UNDERSTANDABLE CONSIDERING I JUST MOVED FROM CHINA.

MY FAMILY MOVED TO THE STATES

HIGH SCHOOL

I QUIT THE BASKETBALL TEAM AND CUT MY HAIR

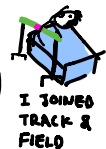

I CONTEMPLATED A LOT ABOUT MY IDENTITY. BASKETBALL WAS A BIG PART OF MY LIFE, BUT IT WAS TIME TO MOVE ON. I REALIZED I WAS NON-BINARY, BUT DOES THAT MEAN I'M NOT GAY? AT THIS POINT I REALIZED THAT LABELS ARE NO LONGER HELPFUL. I'M JUST A PERSON

AFTER FIRST YEAR

I MET A LOT OF PEOPLE WITH DIFFERENT BELIEFS AND BACKGROUNDS. I ENJOYED LEARNING EVERYONE'S POINT OF VIEW. EVEN THOUGH I DID NOT ALWAYS AGREE, I BELIEVED THAT IT WAS IMPORTANT TO HAVE CONVERSATIONS WITH PEOPLE WHO ARE DIFFERENT INSTEAD OF YELLING AT THEM. WHICH IS WHY I ENJOY STUDYING PHILOSOPHY, WHERE I REFINED MY VIEWS AND DEBATED, NOT ARGUE

ENGINEERING TECH ETHICS COMPUTER SCIENCE

I JOINED TRACK & FIELD

I AM CURIOUS ABOUT THE LAWS OF PHYSICS. IT'S EXCITING TO MAKE SENSE OF THE PHYSICAL WORLD! SIMILARLY PHILOSOPHY HELPS ME MAKE SENSE OF EVERYTHING NON-PHYSICAL.

I AM A BUILDER, I LOVE BUILDING PHYSICAL CONTRACTIONS, WEBSITES AND APPLICATIONS ALIKE.

CLASS OF COVID 19

THERE IS A LOT THAT IS UNCERTAIN RIGHT NOW. BUT WHAT I AM CERTAIN OF IS THAT I WILL USE MY SKILLS TO BUILD A MORE EQUITABLE FUTURE. PEOPLE OFTEN SAY TO NOT BE AFRAID TO MAKE MISTAKES, BUT AS ENGINEERS WE MUST UNDERSTAND THE IMPACT AND CONSEQUENCES OF OUR ACTIONS AND MISTAKES. I BELIEVE THAT PEOPLE NO MATTER THEIR GENDER, ETHNICITY, SEXUALITY, CLASS SHOULD BE TREATED EQUALLY. AND IT IS IMPORTANT FOR ME THAT MY WORK REFLECTS THAT
